WHEREAS, ARS 28-1598 requires a biennial report to the legislature recommending distribution formulas for Highway user revenue to meet statewide all-mode transportation needs of the State, Counties, Cities and Towns, including the needs of the Department of Public Safety;

WHEREAS, each County must submit needs data to the Department of Transportation for use in the preparation of the Biennial Statewide Transportation Needs Report; and

WHEREAS, this uniformity can best be accomplished by a consultant working for all the counties; and

WHEREAS, the Arizona Association of County Engineers has requested such consideration by resolution;
